Physical verification of Fixed Assets – Request for proposal

Fluid Control Research Institute (FCRI) is a premier R&D Institute dedicated to Research and Development, Quality and Reliability of flow control systems. The Institute has been set up by Government of India (Ministry of Heavy Industries and Public Enterprises), with the technical and economic assistance from United Nations Development Programme. It has been set up as an autonomous body registered under Societies Registration Act, 1860.

We invite proposal from Chartered Accountants for conducting annual verification of Fixed Assets and Library Books and submission of the report thereof. FCRI is having Fixed Assets to the tune of Rs.40 crores (Gross Block) and around 10,000 books in the FCRI Library. The verification has to be completed by the end of October 2009.

The proposal for the above assignment shall be sent along with the Firm's profile and expected remuneration in a sealed cover superscribing "Proposal for conducting physical verification of fixed assets" to The Director, Fluid Control Research Institute, Kanjikode West, Palakkad – 678 623. The last date of submission of proposals is **10th July 2009**.
