

1. Visit of Hon'ble Secretary, Ministry of Heavy Industries (Govt. of India), to FCRI.
2. Calibration of 3000 mm Electromagnetic flow meters at Large Water Flow Laboratory
3. Calibration of 500mm magnetic flow meter at Water Flow Laboratory
4. Testing of 18" valve at Water Flow Laboratory
5. Mass flow meter of size 4" Calibration at Oil Flow Laboratory
6. Calibration of flow products at HPATF
7. Calibration of flow meters at Air Flow Laboratory
8. Calibration of 400 mm ultrasonic flow meter at Large Water Flow Laboratory
9. Calibration of inline ultrasonic flowmeter at Water Flow Laboratory
10. Calibration of 6" mass flowmeter at Water Flow Laboratory
11. Calibration of mass flow meter (Size 3") at Oil Flow Laboratory
12. 76th Independence Day Celebration

## 1. Visit of Hon'ble Secretary, Ministry of Heavy Industries (Govt. of India), to FCRI.

Shri. Arun Goel, IAS, Secretary, Ministry of Heavy Industries, Govt. of India, visited FCRI on 18th July 2022.

Shri. Arun Goel, IAS planting a tree sapling at FCRI Campus

## 2. Calibration of 3000 mm Electromagnetic flow meters at Large Water Flow Laboratory

Calibration of 3000 mm Electromagnetic flow meters was performed at Large Water Flow Laboratory. A total of 11 meters were completed so far.

Calibration of 3000mm EMF at LWFL

### 3. Calibration of 500mm magnetic flow meter at Water Flow Laboratory

Calibration of 500mm magnetic flow meter was carried out at Water Flow Laboratory

Calibration of 500mm magnetic flow meter at WFL

### 4. Testing of 18" valve at Water Flow Laboratory

Testing of 18" valve was conducted at Water Flow Laboratory

18" valve under test at WFL

## 5. Mass flow meter of size 4" Calibration at Oil Flow Laboratory

Mass flow meter of size 4" was calibrated at Oil Flow Laboratory

Mass flow meter of size 4" calibration at Oil Flow Laboratory

## 6. Calibration of flow products at HPATF

Various flow products were calibrated at High Pressure Air Test Facility(HPATF)

Calibration of flow products at HPATF

## 7. Calibration of flow meters at Air Flow Laboratory

Calibration of various flow meters were performed at Air Flow Laboratory of FCRI.

Calibration of flow meters at Air Flow Laboratory

## 8. Calibration of 400 mm ultrasonic flow meter at Large Water Flow Laboratory

Calibration of 400 mm ultrasonic flow meter was done at Large Water Flow Laboratory

Calibration of 400 mm ultrasonic flow meter

## 9. Calibration of inline ultrasonic flowmeter at Water Flow Laboratory

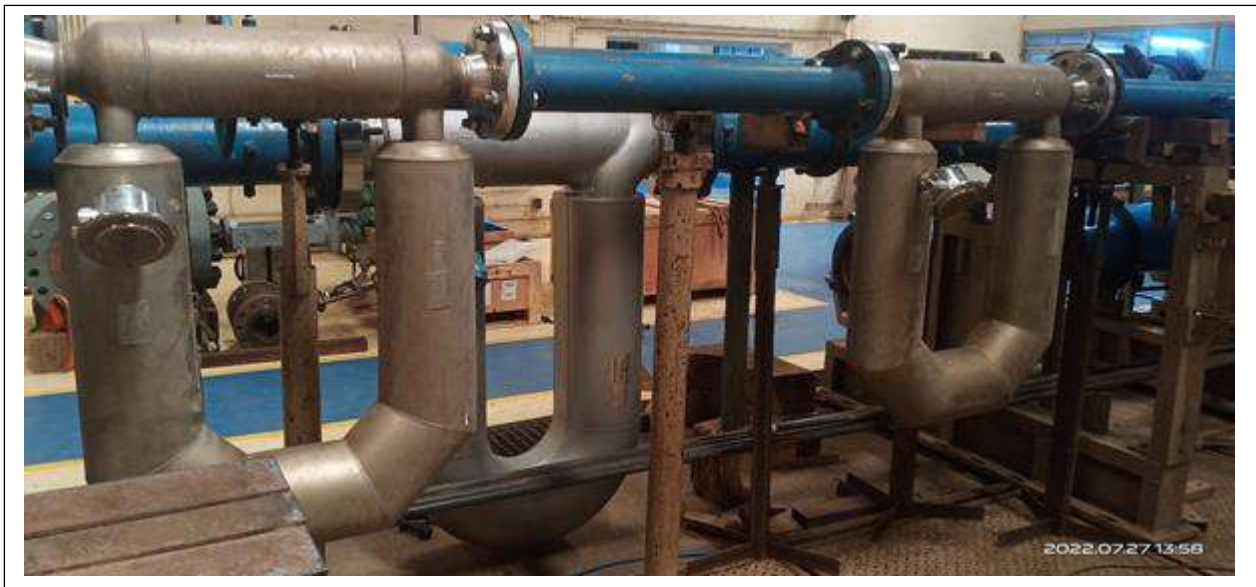

Calibration of inline ultrasonic flowmeter was done at Water Flow Laboratory

Calibration of inline ultrasonic flowmeter

## 10. Calibration of 6" mass flowmeter at Water Flow Laboratory

Calibration of 6" mass flowmeter was done at Water Flow Laboratory

Calibration of 6" mass flowmeter at WFL

## 11. Calibration of mass flow meter (Size 3") at Oil Flow Laboratory

Calibration of mass flow meter (Size 3") was done at Oil Flow Laboratory.

Calibration of mass flow meter (Size 3") at OFL

## 11. 76<sup>th</sup> Independence Day Celebration

76th Independence Day was celebrated on 15<sup>th</sup> August 2022.

Shri G.Sundaraviveel Director(I/C) addressing on Independence day 2022

76th Independence Day Celebration
